cordially invites
you to a

conference this year in Toronto. I was proud to represent SPA0 as our delegate to the AAPA House of Delegates. The House debated more than 25 proposed resolutions including a possible name change for the PA profession and reaffirming the Academy's opposition to specialty certification of PAs.

At our SPA0 membership meeting in Toronto Jason Fowler, PA-C gave an excellent talk on "Evaluation of a Neck Mass" in a great interactive forum which was well received by all in attendance. Our scholarship recipient Katherine Buchert, PA-S from Louisiana State University Health Sciences Center in Shreveport, LA was announced. She received a \$500 scholarship from SPA0 for her dedication to the profession.

I look forward to seeing everyone in Washington, D.C. at the AAO-HNS meeting September 9-12, 2012. SPA0 will again sponsor a booth at the OTO EXPO, as well as, a membership meeting to discuss important topics affecting our organization. Please do not hesitate to contact me with any questions or concerns.
