THE THIRD ANNUAL

ENT
FOR THE
PA-C

ANNUAL CME

APRIL 26-28, 2013

**New York Presbyterian Hospital/
Weill Cornell Medical Center
New York, NY**

PROGRAM

The Third *Annual ENT for the PA-C* is co-sponsored by the American Academy of Otolaryngology-Head & Neck Surgery Foundation (AAO-HNSF) and the Society of Physician Assistants in Otorhinolaryngology/Head & Neck Surgery (SPA-O-HNS). This continuing medical education activity is specifically designed for physician assistants, nurse practitioners and medical professionals working or interested in otolaryngology.

Lecture topics have been selected based on relevancy, practice need and audience requests from over seven years of lecture series. This program is not yet approved for CME credit. Conference organizers plan to request 24.0 hours of AAPA Category 1CME credit from the Physician Assistant Review Panel. Total number of approved credits yet to be determined. The activity was planned in accordance with AAPA's CME Standards for Live Programs and for Commercial Support of Live Programs.

The course is organized to provide attendees with an excellent networking opportunity. Workshops are designed to maximize hands-on learning with concise content and small group settings. This is also the ideal setting to meet, network, and socialize with likeminded professionals from across the country.
